Lecture 7

Data Science and Computation PhD + Master in Bioinformatics

University of Bologna

Communications

We are getting close to the end of AMLBas

Today:

- Hands-on full time!

Last lecture (**IMPORTANT**):

- Final considerations (our pipeline… something BEFORE jumping to NN..)
- **final questionnaire for the course**
- a recap about the exam (incl. project proposals)

Hope anyway to see (most) of you at AMLAdv anyway !

Applied Machine Learning - Basic

Prof. Daniele Bonacorsi

Hands-on:

6 - Data prep - Evaluation with resampling
